Deep Tank	Data Flow Diagram, Updating Functionalities, Survey of different available E-Commerce applications and documentation
Jenish Rathod	Data Flow Diagram, WebSite Development, Documentation, Updating Functionalities, User Interface (UI/UX)

Total Time Spent till Now

- 9 hours

Estimated Remaining Time

- 40 - 45 hours

Status with respect to the project management report and reasons if Delayed

- As per planned

Problem Faced Related to the Project

- There are many ideas while working on the team project, but some of them are getting off course. We are able to put all of the concepts back on track by summarising them.

- We found it difficult to locate some out-of-the-box qualities because there are so many applications for the same issue.
